THE LEADERS' CLUB, AN UNFORGETTABLE VIP EXPERIENCE

Have you ever dreamed of rubbing shoulders with the world's elite cyclists? Of experiencing a UCI WorldTour race from a truly exceptional vantage point? Whether you want to celebrate among friends, thank your colleagues or build customer loyalty, we can put our expertise and the reputation of the Grands Prix Cyclistes at your service to make your day an unforgettable, exclusive experience!

FRIENDS, LEADERS, LET'S PUT OUR SHARED PASSION AT THE SERVICE OF PROGRESS!

Being part of the Leaders' Club is also an opportunity to contribute directly to two important causes dear to us. For every Leaders' Club ticket sold, \$100 will be donated to the IRIC and the FQSC.

VANQUISHING CANCER DIFFERENTLY

Since 2014, we've been proud to support the **IRIC, the Institute for Research in Immunology and Cancer of University of Montreal**. Their innovative approach to research has already led to discoveries that, in the coming years, will have a significant impact on the fight against cancer, a leading cause of mortality in Canada.

Take part in the IRIC Great Challenge Against Cancer on the morning of the Montréal Grand Prix Cycliste!

HELPING TRAIN TOMORROW'S ÉLITE

Right from the first GPs in 2010, but even more energetically today, we have cared about the next generation of competitive cyclists. By supporting the **Fédération québécoise des sports cyclistes (FQSC)**, we help our young Québec athletes access various development programs, which they need to take their performance to highest level and realize their dreams.
