AN UNFORGETTABLE VIP EXPERIENCE

Have you ever dreamed of rubbing shoulders with the world's elite cyclists? Of experiencing a UCI WorldTour race from a truly exceptional vantage point? Whether you want to celebrate among friends, thank your colleagues or build customer loyalty, we can put our expertise and our reputation at your service to make your day an unforgettable and exclusive experience!

LET'S PUT OUR SHARED PASSION AT THE SERVICE OF PROGRESS!

The Leaders' Club also contributes directly to two important causes dear to us.

VANQUISHING CANCER DIFFERENTLY

Since 2014, we are proud to support the **IRIC, the Institute for Research in Immunology and Cancer of University of Montréal**. Their innovative approach to research has already led to discoveries that, in the coming years, will have a significant impact on the fight against cancer, a leading cause of mortality in Canada.

HELPING TRAIN TOMORROW'S ELITE

Right from the first GPs in 2010, but even more energetically today, we care about the next generation of competitive cyclists. By supporting the **Fédération québécoise des sports cyclistes (FQSC)**, we help our young Québec athletes access various development programs, which they need to take their performance to highest level and realize their dreams.
