ENVIRONMENTAL INITIATIVES

315

leftover food servings destined for the organization and the teams, **redistributed** to *Maison La Dauphine* by the Delta Québec Hotel. All leftovers generated during the Grands Prix Cyclistes are redistributed.

1

green squad staffed by people recruited through partnerships with social reintegration organizations: *Carrefour Jeunesse-Emploi Charlesbourg Chauveau* in Québec City and *Le Sac à dos* in Montréal.

2

free bike parks available to spectators. One in each city, supporting the promotion of ecoresponsible mobility at each Grand Prix Cycliste.

1,5 KM

distance between the Delta Montréal Hotel and the GPCM start/finish line. In Québec City, the Delta Hotel is just 400 meters away. The GPCQM is committed to providing **accommodation close** to the race venues.

10

ecoresponsible trophies made by *Protocole Trophées d'Exception*, from 100% made-in-Québec materials.

1

litter zone set up on each course. Young cyclists' clubs are entrusted with the collection.

2000

glasses reused each year in the VIP Villages.

1

EcoFQSC gold certification awarded to the GPCQM in 2024.

SOCIAL INITIATIVES

28

young riders from regional clubs invited to participate in team presentations through the “**Jeunes teneurs**” program, giving them a unique opportunity to hold the bikes of professional cyclists.

4

Coupe Québec Espoirs winners invited to take part in the **GPCQM award ceremonies**.

5

signed riders' jerseys auctioned off at a post-event auction in 2023. All funds raised were donated to the FQSC.

50

Leaders' Club VIP tickets on sale, with part of the funds (\$100 per ticket) donated to social causes.

8

Canadian team athletes invited to take part in the GPCQM to compete against the world's best riders and eventually be noticed by teams competing at the WorldTour level.

10

places allocated to **local commissaires** in the commissaires' vehicles and at the results table, giving them the opportunity to experience a UCI WorldTour race.
